

# UMBANE INNOVATIONS

## Services & Pricing

We offer both meter sales and installation, with a cost-effective package for your convenience.

- Single-phase meter — R400
- Installation — R350
- Complete package (meter + registration + installation) — R750

Our package includes full registration of the meter and installation by our qualified team.

## Prepaid Meters

At Umbane Innovations, we provide reliable prepaid meter solutions — from sales to installation — ensuring convenience and peace of mind for property owners and tenants alike.

# Warranty & Support

## Warranty & Support

- ✓ All meters installed by our team come with a one-year warranty.
- ✓ We conduct regular inspections to ensure your meters remain fully functional and tamper-free.

⚠ Important:

If you purchase only the meter and use your own installer, the one-year warranty does not apply.

## Required Documents for Registration

To register your meter(s), please provide the following documents:

Proof of Identification (e.g., ID or passport)

Proof of Residence

Account Confirmation Letter (e.g., from your bank or municipality)  
ext

## Scheduling the Installation

**Landlords are responsible for scheduling the installation after confirming with their tenants.**

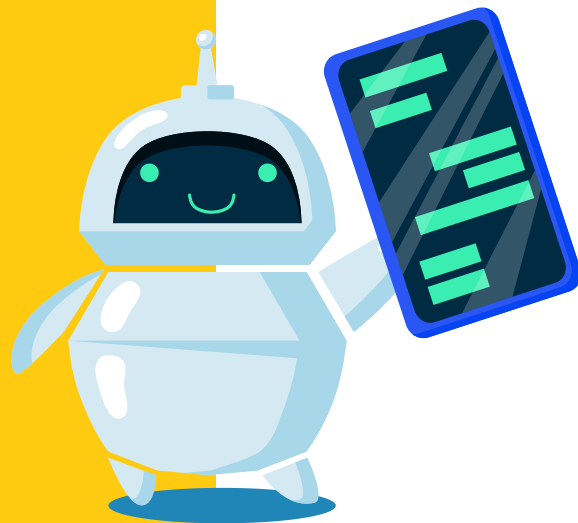

**Please ensure that:**

**Tenants are available at the property on the scheduled day, or**

**Arrangements are made for the keys to be accessible to our team**

 **Note:**

**All communication regarding scheduling must be sent before the end of business day on the same day the meters are purchased.xt**
